## 1. THIS WEEK'S HIGHLIGHTS: LIFE SKILLS AND LEAGUE CHAMPS!

Year 6 have overcome many challenges this week whilst completing their Bikeability course: learning to ride a bike, how to look after the bike and how to ride safely on the road. They were all incredible and every child can now ride a bike safely and confidently - such a great life skill. The instructors also wanted to say that your behaviour was excellent and congratulated you on your politeness and listening skills. Well done Year 6!

### Football

With a win and a draw in the final two games of the league, Calmore's Y5/6 boys have won the league title for a second time in three years! Across two evenings and six games, the two squads of players all contributed to some fantastic football that relied on and trusted in every player. Yesterday's matches were proof of that. The first match saw the team concede their first goal in the league so meant resilience and togetherness were crucial. The team kept pushing and working for each other until finally they grabbed a deserved equaliser. The second and final league game was a brilliant 1-0 victory but this time owed lots to William who made 4 point-blank saves to preserve the lead and clinch the title. Hooray!

This evening we welcomed two teams from Orchard Junior School to play yet more keen Y5/6 footballers. It was such a wonderful way to finish the week; the smiles said it all with many representing the school for the first time. Coming up later this term we have Y3/4 girls football then more fixtures and friendlies in the new year for our Y5/6 girls and Y3/4 boys - lots to look forward to...
