1. THIS WEEK'S HIGHLIGHTS:

A HUGE congratulations to Paisley in Year 5 who has been crowned EMX Sparks British Master Champion 2025! Riding across 6 separate weekends that started back in May, Paisley travelled each time to Wales and raced against other riders from around the country aged between 7 and 10. Having completed the final race weekend this past week, Paisley overcame some late season challenges to her bikes to win both the E5+ and Revvi classes in this fast and furious electric motocross sport. Wow! Congratulations, Paisley - we are all so proud of you!

Well done too, to our Y3/4 girl footballers who braved the cold yesterday in their football event at Applemore. Two teams - one from each year group - wrapped up warm and threw themselves into 6 matches against others schools from the New Forest area. And as so often the case in girls football, the teams got better and better as the afternoon went on. Both teams enjoyed victories, goals, closely fought draws and the disappointment of defeats. But throughout it all, as well as multiple layers, the girls wore broad smiles alongside rosy cheeks! By the time the final whistles blew, both teams were working together and organising their formations.

Roblox

We have been made aware of a pop-up that is appearing on Roblox, encouraging children to download an app called pollybuzz (or pollyfuzz in some spelling cases). The app seems quite simple where children are asked questions, and it generates an Artificial Intelligence 'friend' – this starts off quite innocently but then begins to show extreme content (including suicide, self-harm and pornography). It may be helpful to remind children about not clicking on pop-ups in games and to report anything that is worrying or inappropriate to a trusted adult. It may also be helpful to communicate with parents about this. Roblox has parental controls and instructions of how to put these on can be accessed using the guides attached to this newsletter. These, along with other e-safety parent guides, can also be found on our website [here](#)

2. PARENT FORUM

We would like you to join us for a parent forum on 28th November at 2:15. This will be an opportunity to chat to 2 of our Governors about school. Any thing that you might want to change or improve or to share anything that you are really happy with. All are welcome.

We really value feedback as we want to work in partnership with you to ensure we create the best opportunities for the children we serve.

3. NON-UNIFORM DAY

On Friday 28th November, we are having a NON-UNIFORM day. The cost will be £2.00 per pupil to come in their own clothes. No crop tops or heels!
