## 1. THIS WEEK'S HIGHLIGHTS:

### National Number Day

Next Friday 6<sup>th</sup> February is National Number Day and we would like to invite parents and carers to the school to 'Come and do some maths'. This will be in the form of fun games that you will play at school and then practice these at home afterwards. Being fluent in the basic recall of facts - number bonds, times tables - noticing patterns, using what you know already to help you solve another question all have a huge impact on supporting the progress towards becoming a competent mathematician. Playing number games really helps with this so please join us at 8:45am next Friday.

### Reading Buddies

I was blown away and near to tears on Wednesday whilst covering a class and watching the reading buddies listen to children in Year 3. Children from Year 4, 5 and 6 have volunteered to listen to children in order to help their progress in reading fluency. It was wonderful. The way the older children interacted with the younger ones and guided them through each page was incredible. It was like they were trained teachers! Well done!

## 2. BOOK FAIR

Although it is a little way off, we are delighted to say that we shall be holding our book fair after school on Weds 4<sup>th</sup>, Thurs 5<sup>th</sup> and Fri 6<sup>th</sup> March. It is an opportunity for you to come and look through and purchase books with your child. It is always a popular event with a wide variety of titles and all different types of books to choose from.

## 3. VALENTINE'S DISCO

Love is in the air...tickets to our Valentine's Disco are on sale from the school office as of Monday.
