1. THIS WEEK'S HIGHLIGHTS:

Year 4 SeaCity and art gallery trip

Year 4 had a fantastic day on Tuesday visiting the Seacity Museum to learn more about the Titanic. They took part in a guided tour around the museum and also activities in their workshop such as having a go at morse code! In the afternoon they also visited the Southampton City Art Gallery, taking time to view some wonderful artwork - including a sculpture from Antony Gormley whom they learnt about in Autumn! Thank you to all the adult helpers - including Mrs Quinn who took time out of her day - to make it such a memorable experience for the children!

World Cup 2026 kicks off state side...and at Calmore!

With the World Cup kicking off in Mexico last night, we have also launched our eagerly awaited own version. Children have been tasked with sorting their own 6-a-side teams from across the school in readiness for a boys and girls tournament that will now take place in the coming weeks. Overall, 98 pupils have signed up to take part - that's over half of the school! Team captains drew names out of a hat in assembly yesterday to see which nation they would represent with first plucked out being England! Is that an omen?! Matches will be played at lunchtime with the top two from each group progressing to the semi finals. The finals will then take place on the afternoon of Friday 17th July with the whole school in attendance. Will it be coming home...or heading to Curaçao?

2. WHATSAPP FOR U13S

With the exception of YouTube, WhatsApp has always been one of the most popular messaging apps, including for children under 13. This has always been a concern for a lot of different reasons, but out of the blue it seems that Meta have now created a parent-managed service which I think is really good. Similar to other parent-managed accounts, a parent will pair their device/account to the child's device/account which then gives a lot of flexibility such as:

- No 'view once' messages.
- No location sharing.
- Messages and group invites from unknown contacts sent to the parent for approval.
- Parent notifications, such as new contact added.

3. OFSTED REPORT OUT NOW!

We are excited and pleased to say that the report from our recent Ofsted inspection is now published and available for you all to read. We have parentmailed the report for you along with this Focus newsletter and will let you know when it is available online as it doesn't seem to be live yet.

4. SPORTS DAY

A new date has been pencilled in for Sports Day following this week's postponement - **Wednesday 24th June, 9:30am-12pm**. Once again, parents and grandparents will be invited to come along and support their child and enjoy a picnic on the field afterwards - previously ordered picnic lunches will carry over to the new date. Fingers crossed the sun shines this time!
