

Sports Premium Report

At Calmore Junior School, we see physical activity and health as very high priority. Children will enjoy physical activities using a range of skills in dance, gymnastics, swimming and games. They will also understand the value of physical activity and the development of personal responsibility for one's own health and wellbeing.

The School's Education Programme will:

- Promote healthy growth, development and a positive attitude towards health and wellbeing.
- Engage all pupils in regular physical exercise
- Raise the profile of PE & sport across the school
- Increase the confidence, knowledge & skills of all staff in teaching PE & sport
- Broaden the range of sports on offer to all children
- Develop and improve skills in all areas of the physical education curriculum
- Develop the ability to control and co-ordinate body movements expressively and creatively
- Develop a sense of enjoyment and well-being through both involvement and achievement in sport
- To promote social skills including teamwork, leadership and good sportsmanship
- Increase participation in competitive sport
- Develop a sense of team
