

Attendance Policy

Policy approved and adopted: September 2020

Person(s) responsible for implementing and monitoring the policy: C Ingram

For Review: July 2022

Section 1

Rationale

For a child to reach their full educational achievement a high level of school attendance is essential.

We are committed to providing an education of the highest quality for all our pupils/students and endeavour to provide an environment where all pupils feel valued and welcome. Parents and pupils play a part in making our school so successful. Every child has a right to access the education to which he/she is entitled. Parents and teachers share the responsibility for supporting and promoting excellent school attendance and punctuality for all.

It is our duty to consistently strive to achieve a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

For our children to take full advantage of the educational opportunities offered it is vital your child is at school, on time, every day the school is open unless the reason for the absence is unavoidable. The routines children develop around attendance and punctuality at school are the same as the expectations of any future employer in the world of work. High attainment, confidence with peers and staff, and future aspirations depend on good attendance.

Good attendance is important because:

- statistics show a direct link between under-achievement and absence below 95%
- regular attenders make better progress, both socially and academically
- regular attenders find school routines, school work and friendships easier to cope with.
- regular attenders find learning more satisfying
- regular attenders are more successful in transferring between primary school, secondary school, and higher education, employment or training.

Section 2 – Operating the Policy

2.1 Promoting good attendance and punctuality

The foundation for good attendance is a strong partnership between the school, parents and the child. The Home School Agreement will contain details of how we will work with parents and our expectations of what parents will need to do to ensure their child achieves good attendance.

To help us all to focus on this we will:

- provide information on all matters related to attendance in our weekly newsletter
- report to you on how your child is performing in school, what their attendance and punctuality rate is and how this relates to their attainments in our termly 'traffic light' letters, at parents evenings and in our formal report.
- celebrate good attendance by displaying individual and class achievements
- reward 100% with golden nuts and termly certificates and prizes.

2.2 Roles and responsibilities

A member of the senior leadership team will oversee, direct and co-ordinate the school's work in promoting regular and improved attendance and will ensure the attendance policy is consistently applied throughout the school. This person will also ensure that attendance is both recorded accurately and analysed. (S)he will ensure that attendance issues are identified at an early stage and that support is put in place to deal with any difficulties.

If absence is frequent or continuous, except where a child is clearly unwell, staff will discuss with parents/carers the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence **will always rest with the school.**

Responsibilities of classroom staff

- Ensure that all students are registered accurately.
- Promote and reward good attendance with students at all appropriate opportunities.
- Liaise with the attendance leader on matters of attendance and punctuality.
- Communicate any concerns or underlying problems that may account for a child's absence.
- Support pupils with absence to engage with their learning once they are back in school.

Responsibilities of pupils

- Attend every day unless they are ill or have an authorised absence.
- Arrive in school on time.

- Take responsibility for registering at the office if they are late or are leaving the school site during school hours.

Responsibilities of parents/carers

Ensuring your child's regular attendance at school is a parent/carer's legal responsibility (Section 444 of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law.

Parents will:

- inform the school on the first day of absence before 8.45 am
* See appendix 1 for changes due to COVID
- Take responsibility for registering at the office if their child is late or are leaving the school site during the school day.
- Notify the school of any planned absences well in advance
- support the school with their child in aiming for 100% attendance each year
- make sure that any absence is clearly accounted for by telephone on the first and subsequent days of absence, or by letter if a phone is unavailable.
- avoid taking their child out of school for non-urgent medical or dental appointments
- Only request leave of absence if it is for an exceptional circumstance.

Section 3

3.1 Recording attendance

Legally the register must be marked twice daily. This is once at the start of the school day, 8.30am * and again for the afternoon session at 1.00 pm.

3.2 Lateness/punctuality

It is important to be on time at the start of the morning and afternoon school sessions. The start of school/lessons is used to give out instructions or organise work. If your child is late they can miss work time with their class teacher getting vital information, cause disruption to the lesson for others, and it can be embarrassing leading to possible further absence.

- The school day begins at 8.30 am * and all **pupils are expected to be in school at this time**. Arrival after 8.30 *am will be recorded as late.
- Morning registration is at 8.30am and it closes at 8.45 am. *

- All lateness is recorded daily. This information will be required by the courts, should a prosecution for non-attendance or lateness be necessary.
- Arrival after the close of registration will be marked as unauthorised absence and coded *U* in line with Hampshire County Council and Department of Education guidance. This mark shows them to be on site, but is legally recorded as an absence.
- If a pupil is late due to a medical appointment, they will receive an authorised absence, coded *M*. Please be advised that, where possible, doctors and dentists appointments are to be made outside of school hours or during school holidays.

Pupils who are consistently late are disrupting not only their own education but also that of the other pupils. Ongoing and repeated lateness is considered as **unauthorised absence and will be subject to legal action** (see Section 6 for further detail).

Parents, guardians or carers of pupils who have patterns of lateness will be contacted to discuss the importance of good time keeping and how this might be achieved. If lateness persists parents, guardians or carers will be invited to attend the school and discuss the problem and support offered. If support is not appropriate or is declined and a child has 10 or more sessions of unauthorised absence due to lateness recorded in any 10 week period, the school or Hampshire County Council will be required to issue parents with a Penalty Notice in accordance with Hampshire County Council's *Code of conduct: issuing Penalty Notices for unauthorised absence from schools* (See Section 6 of this policy for further detail).

Parents are expected to collect their child promptly at the end of the school day. Where late collection is persistent and/or significantly late, the school is obliged to take any uncollected pupil to a place of safety and share concerns as necessary with other agencies.

3.3 What to do if my child is absent?

First day absence

A child not attending school is considered a **safeguarding** matter. This is why information about the cause of any absence is always required.

If your child is absent you must:

- contact us by 8.45 am on the first day of absence by phone (a message can be left on the answerphone)
- send a note in on the first day they return with an explanation of the absence – you must do this even if you have already telephoned us
- call in to the school office and let us know.

If your child is absent we will:

- telephone or text you on the first day of absence if we have not heard from you – *this is because we have a duty to ensure your child's safety as well as their regular school attendance.* We will call daily until we are able to make contact with you.
- invite you in to discuss the situation with Headteacher if absences persist
- refer the matter to the Hampshire County Council's Attendance Legal Panels if absence is unauthorised and falls below 90%.

Third day absence

Please note: If your child is not seen and contact has not been established with any of the named parents/carers, after three days of absence the school is required to start *child missing in education* procedures as set down by Hampshire County Council guidance. We will make all reasonable enquiries to establish contact with parents/carers and the child, including making enquiries to known friends, wider family. A visit to the home address may be made by the Headteacher/Deputy Headteacher.

Ten days' absence

We have a legal duty to report the absence of any pupil who is absent without an explanation for 10 consecutive days. If the child is not seen and contact has not been established with the named parent/carer then the local authority is notified that the child is *at risk of missing*. Children's Services staff will visit the last known address and alert key services to locate the child. So help us to help you and your child by making sure we always have an up-to-date contact number. There will be regular checks on telephone numbers throughout the year.

Continued or ongoing absence

If your child misses 10% (three weeks/sessions) or more schooling across the school year, for whatever reason, they are defined as *persistent absentees*.

Absence for whatever reason disadvantages a child by creating gaps in his or her learning. Research shows these gaps affect attainment when attendance falls below 95%. As such, we monitor all absence thoroughly and all attendance data is shared with the local authority and the Department for Education. If your child has had absence and their attendance level is falling towards 90% we will contact you and depending on the reasons for the absence will take further action as detailed in the policy. Where necessary the Headteacher will issue a penalty notice.

Children at this school are dependent on their parent/carers, who are responsible for their level of attendance and punctuality. It is vital that children enjoy coming to school, and whilst being encouraged to attend well and on time, will not carry blame

and be made to feel unhappy if their parents are not supportive or effective in these areas.

Section 4

Request for leave of absence

Amendments to school attendance regulations were updated and enforced from September 2013. The Education (Pupil Registration) (England) Regulations state that headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. It is important to note that headteachers can determine the length of the authorised absence, as well as whether absence is authorised at all. The fundamental principles for defining *exceptional* are rare, significant, or unavoidable, which means the event could not reasonably be scheduled at another time. There are no rules on this as circumstances vary from school to school and family to family. There is, however, no legal entitlement for time off in school term time to go on holiday and in the majority of cases holiday will not be authorised. Parents/carers wishing to apply for leave of absence need to fill in an application form (available from the school office) in advance and before making any travel arrangements.

If term-time leave is taken without prior permission from the school, the absence will be **unauthorised** and if the number of sessions absent hits the thresholds set down in Hampshire County Council's *Code of conduct*, parents/carers will be issued with a fixed-penalty fine or other legal action in accordance with the code (see Section 6 for detail).

Taking holidays in term time will affect your child's schooling as much as any other absence and we expect parents to help us by not taking children out during school time.

Section 5

Understanding types of absence

Pupils are expected to attend school every day for the entire duration of the academic year, unless there is an **exceptional reason** for the absence. There are two main categories of absences:

- authorised absence: is when the school has accepted the explanation offered as satisfactory justification for the absence or given approval in advance for such an absence. If no explanation is received, absences cannot be authorised
- unauthorised absence: is when the school has not received a reason for absence or has not approved a child's leave absence from school after a parent's request. This includes:
 - ❖ parents giving their children permission to be off school unnecessarily, such as for shopping, birthdays, to look after siblings
 - ❖ truancy before or during the school day
 - ❖ Family holidays

- ❖ absences which have not been explained.

A school can, if needed, change an authorised absence to an unauthorised absence and vice versa if new information is presented. Any changes will be communicated to parents/carers. An example of this would be where a parent states a child is unwell but on return to school there is evidence they have been on holiday. A penalty notice may then be issued.

Section 6

Penalty Notices for non-attendance and other legal measures

In education law, parents/carers are committing an offence if they fail to ensure the regular attendance of their child of compulsory school age at the school at which the child is registered, unless the absence has been authorised by the school.

Legal measures for tackling persistent absence or lateness

Hampshire schools and Hampshire County Council will use the full range of legal measures to secure good attendance. Legal measures will only be considered through a referral to Hampshire's Attendance Legal Panels where:

- 1. the child or family do not require the support from any agency to improve the attendance**
- 2. the child has 10 or more sessions of unauthorised absence and parents are complicit in the child's absence.**

The following legal measures will be used for pupils of compulsory school age who are registered at a school:

- parenting contracts set at Education Planning Meetings
- parenting orders
- Penalty Notices
- Education Supervision Orders
- prosecution.

Where a child has **unauthorised absence** the school must enforce Hampshire County Council's *Code of conduct: issuing Penalty Notices for unauthorised absence from schools* or follow its guidance on other legal measures for non-attendance. The *Code of conduct* is a statutory document that ensures that powers for legal sanctions are applied consistently and fairly across all schools and their families within the authority. A copy is available from: www.hants.gov.uk/education/hias/learning-behaviour-attendance/attendance-guidance-forparents/possible-penalties.

The *Code of conduct* states that schools or Hampshire County Council will issue a Penalty Notice for any unauthorised absence where the pupil has been:

- absent for 10 or more half-day sessions (five school days) of unauthorised absence during any 100 possible school sessions – these do not need to be consecutive
- persistently late (coded *U*) for up to 10 sessions (five days) after the register has closed

- persistently late before the close of the register (coded L), but the school has met with parents and has clearly communicated that they will categorise as unauthorised any further lateness (code O), and where the threshold of 10 sessions (five days) has been met
- absent for any public examinations of which dates are published in advance
- absent for any formal school assessments, tests or examinations where the dates have been published in advance

unless the issuing of a Penalty Notice would conflict with other intervention strategies in place or other sanctions already being processed.

If a child's unauthorised absence meets any of the above criteria and the family or child do not require any agency support to improve the attendance then a Penalty Notice is issued for either:

- 1. 10 sessions of unauthorised absence or lateness in any 10 week school period**
- 2 . One or more sessions of unauthorised absence during a public exam, formal school assessment or testing where dates are published in advance.**

This includes where a pupil has unauthorised absence due to either:

- non-approval of a parent/carer's request for leave of absence, or
- a holiday that has been taken without permission.

Parents and carers will be warned of the likelihood of a Penalty Notice being issued for unauthorised absence via a letter, through the leave of absence request form, or through the school's attendance policy and website. The Penalty Notice is a fine that is issued to each parent/ carer who condoned (or was responsible for the child) during the period of unauthorised absence for which the fine has been issued. For each case of unauthorised absence the school or Hampshire County Council will decide whether a Penalty Notice is issued to **one or more parents/carers** for each child. **NB:** This could mean four Penalty Notices for a family with two siblings, both with unauthorised absence for holiday, ie one Penalty Notice for each child to each parent.

Each Penalty Notice carries a fine of £60 if paid within 21 days of the Penalty Notice being posted. If the fine is not paid within 21 days the penalty is automatically increased to £120 if paid within 28 days. If the fine remains unpaid Hampshire County Council will consider prosecution for the non-attendance. Payment methods are detailed on the Penalty Notices themselves. Penalties are to be paid to Hampshire County Council and revenue resulting from payment of penalties is used by the County Council to help cover the costs of issuing Penalty Notices and/or the cost of prosecuting recipients who do not pay.

Please note: If you pay the Penalty Notice and your child has further unauthorised absences additional legal action will be taken. For example, in the event that a Penalty Notice has previously been served to you due to unauthorised holiday, should your child have any future unauthorised leave this will result in further legal action for you, such as prosecution or an Education Supervision Order. For further

information parents/carers can request a leaflet from their school and should visit Hampshire County Council's website at:

www.hants.gov.uk/education/hias/learning-behaviour-attendance/attendance-guidance-forparents/possible-penalties.

Section 7

7.1 My child is trying to avoid coming to school. What should I do?

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents/carers and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

Contact your child's classteacher immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons – difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem. In some cases you may find it helpful to discuss the circumstances of your child's difficulties with another professional.

What can I do to encourage my child to attend school?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he/she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his/her education.

Be interested in what your child is doing in school, chat to them about the things they have learnt, what friends they have made and even what they had for lunch!

7.2 Leavers

If your child is leaving our school (other than when transferring to the secondary school, parents are asked to:

- 1 Give the Headteacher comprehensive information about their plans, including any date of a move and your new address and telephone numbers, your child's new school and the start date when known. This should be submitted to our school in writing

- 2 If pupils leave and we do not have the above information, then your child is considered to be a *child missing in education*. This requires schools and local authorities to then carry out investigations to try and locate your child, which includes liaising with Children's Services, the Police and other agencies. By giving us the above information, these investigations can be avoided.

7.3 Absence through child participation in public performances, including theatre, film or television work and modelling

Parents of a child performer can seek leave of absence from school for their child to take part in a performance. They must contact the headteacher to discuss the nature and frequency of the work, whether the child has a valid performance licence and whether education will be provided by the employer during any future leave of absence. It is, however, down to the headteacher's discretion as to whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Any absence recorded as part of a child's participation in a public performance is recorded as C, an authorised absence.

7.4 Absence through competing at regional, county or national level for sport

Parents of able sportsmen and women can seek leave of absence from school for their child to take part in regional, county, national and international events and competitions. It is, however, down to the headteacher's discretion as to whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Permission for your child to leave early or arrive late to attend coaching and training sessions is also at the discretion of the headteacher and is not likely to be approved if it is a regular event, unless the sports club or association is providing an education tutor as part of their coaching.

7.5 Gypsy, Roma, Traveller and Showman families

Absence of a child from a Traveller family that has left the area may be authorised if the absence is for work purposes only and it is believed that the family intends to return. To ensure the continuity of learning for Traveller children, dual registration is allowed. That means that a school cannot remove a Traveller child from the school roll while they are travelling. When the Traveller is away, the home school holds the place open and records the absence as authorised through the *T* code. Distance learning packs for Traveller children are not an alternative to attendance at school.

Section 8

Record Preservation

School registers are legal documents. We will ensure compliance with attendance regulations by keeping attendance records for at least 3 years. Computer registers will be preserved as electronic back ups.

Section 9

Monitoring and Review

This policy will be monitored by the Head teacher and the Governing Body. It will be reviewed every two years.

Appendix 1

Changes due to COVID-19 (these changes only apply for the period of COVID-19 restrictions)

Due to the pandemic certain changes have been made to the timing of the start and end of the school day. This was to ensure that children and parents could more easily adhere to social distancing and to ensure that year group bubbles are kept apart as far as possible.

A one-way route around school has been created.

Start of the day

8:30- year 3 and year 6 arrive at school

8:45 -year 4 and year 5 arrive at school.

End of the day

2:45- year 3 and 6 leave school

3pm -year 4 and year 5 leave school

Parents are still expected to call to explain why their child is absent by 8:45 am as they have done always.

(Taken from the DFE guidance Aug 2020)

Pupils who have symptoms should self-isolate and get a test.

If a pupil tests negative and if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating and return to school. If the pupil remains unwell following the test (such as with a different illness), then they should be recorded as code I – illness, as would usually be the case. Code X should only be used up until the time of the negative test result. Schools should not retrospectively change the attendance register due to a negative test result.

If a pupil tests positive, they should continue to self-isolate for at least 10 days from the onset of their symptoms. They should only return to school if they do not have symptoms other than a cough or loss of sense of smell or taste (anosmia). This is because a cough or anosmia can last for several weeks once the infection has gone. Code X should be used for the period of self-isolation until the test. After the pupil tests positive they should be recorded as code I (illness) until they are able to return to school.

If someone in the pupil's household has symptoms, the household should self-isolate and the member of their household should get a test.

If the member of the household tests negative, the pupil can stop self-isolating and can return to school. Code X should only be used up until the time of the negative test result when the pupil can return to school.

If the household member tests positive, the pupil should continue self-isolating for the full 14 days from when the member of their household first had symptoms. Code X should be used during this period.

In all cases of self-isolation, schools should ask parents to inform them immediately about the outcome of a test. Schools should not require evidence of negative test results or other medical evidence before admitting children or welcoming them back after a period of self-isolation.

Pupils may not have symptoms themselves but may be required to self-isolate if they are a close contact of someone with coronavirus (COVID-19).

The [NHS test and trace](#) guidance states that a person should self-isolate for 14 days if they have had recent close contact with a person who has tested positive for coronavirus (COVID-19). In the event of a confirmed coronavirus (COVID-19) case in the school community, the local health protection team will provide advice on who this applies to, advising them to self-isolate for 14 days since they were last in close contact with the person that has tested positive when they were infectious. Code X should be used for these pupils during this period.

As usual, parents should plan their holidays within school breaks and avoid seeking permission to take their children out of school during term time. Families should also consider that their child may need to self-isolate following trips overseas that require a period of quarantine⁵. If a pupil is required to be in quarantine on arrival in, or return to, the UK, code X should be used in the register.

Local lockdown

If rates of the disease rise locally, schools may need to prevent some pupils from attending. Schools should follow PHE or DHSC guidance on what measures are necessary in the event of local lockdown. Where attendance is to be limited to certain groups, 'not attending in circumstances related to coronavirus (COVID-19)' - code X - should be used for pupils who are asked not to attend.
